State of New Jersey Department of Human Services Division of Medical Assistance and Health Services

Governor Thomas H. Kean signed a law on August 23,1985 which is important to persons seeking admission to a Medicaid Nursing Home. It prohibits nursing homes from denying admission to a Medicaid applicant if a bed is available and the home is below a specific occupancy level. The law also prohibits nursing homes from requiring any payment from a Medicaid eligible person or his/her family as a condition for admission or for a continued stay at a nursing home. The Medicaid District Office should be notified immediately if this law is not followed.

NJ Nursing Homes Require a PASRR Form for EVERY applicant

per Federal Regulation 42 CFR 483.106

This requirement is for ALL admissions, both short-term and long-term. It is unrelated to payor status.

***The form must indicate a "negative screen" and be signed by the professional in the bottom space in Section 9 on the last page. (Only "exempted hospital discharges" resulting from positive screens will be signed in Section 8.)**

If needed, please call Joan Kritz (609-718-0595) or Betsy Kaplan (609-718-0585) of the Social Work Services Department with questions regarding this requirement.

The PASRR form should be faxed to the attention of Social Work Services at 609-530-1635 or 609-530-0031 prior to the day of admission to Greenwood House.
