Spring into Spring Cleaning!

Have sentimental items taking over rooms of your home that need to be reclaimed for practical use? Rick Pollock, Greenwood House board member and associate of "A Touch of the Past Antiques" has offered to share his expertise for GWH.

By appointment he will:

- Meet you at his office on Route 31 in Pennington, NJ or in your home regarding the items you would like to donate
- Appraise your item(s) and provide you with a written letter of retail value

Your treasures will then be sold for the benefit of Greenwood House! To take advantage of this opportunity contact Rick at 215.639.1229 or 609.818.9600 or RCPollock1@aol.com.

Welcome to the Team

Karen Korizis, ADPC is our new assistant activities director. Karen brings five years of long-term care activities and other professional experience to her role at GWH. Karen's background includes being the owner and director of a daycare/preschool as well as a Spanish teacher. She has also earned her cosmetology license. Karen says it is the opportunity to advance her position and bring new ideas to GWH that drew her to her current position and she finds the familial atmosphere especially endearing at GWH. In her spare time, Karen spends time with her three children and grandson. She enjoys crafting and professionally shows her bulldog.

Employee Spotlight

Congratulations to our February Employee of the Month: Pedro Camacho. Pedro has been a dedicated employee in our Building Services Department for nearly six years. Some of the many things that Pedro does to make GWH a better place for residents, family members and employees alike include taking care of the facility and making sure that everything is clean from top to bottom. Bill Meske, director of building services describes Pedro as a "self-starter who has innate ability to just look at a problem and figure it out. He has a great personality and is a joy to be around." Pedro is also known for going above and beyond for the residents and always making them smile. Thank you Pedro for all that you do!

New Student Volunteer Opportunity

We are pleased to announce a new student volunteer opportunity called "Getting to Know You." The purpose of the project is to create a short biographical sketch of our residents that will be displayed outside the door of their rooms. Our hope is that the residents will enjoy this activity and that the students will form bonds with our residents comparable to that of a grandparent.

We cannot make this project a success without the residents. Please speak to your loved one about partaking in this exciting project. If you and your loved one would like to participate, please contact Lauryn Goldstein at 609.883.5391 ext. 393 or lgoldstein@greenwoodhouse.org.
